## Message from Activity Specialist/H.L.A., Brandon John

Dear Students and Parents,  
As the Activity Coordinator **I would like to thank you** on behalf of our Board of Trustees, Administration and staff for a great student month of November!

**I would like to thank the parents and students who actively are committed to student education.** Your presence at these events shows your support to your child’s academic and resident education. This commitment to engaging in school sponsored activities supports student growth and development.

**Kinteel is very proud of all the strengths students exhibit on campus and at AHS.** Students at Kinteel have wonderful personalities and traits that will benefit their future. This is a result of parents’ being their child’s 1<sup>st</sup> role model and teacher; teaching and instilling good values and beliefs. **Staff at Kinteel are here to help you with academics and life.**

**Be aware that the 2<sup>nd</sup> quarter of the 1<sup>st</sup> semester ends on December 16.** 3 academic school weeks remain to after Thanksgiving break. Parents

please support your child to ensure that they are turning in homework and attending class. Every class and assignment counts. This can be tracked on PowerSchool.

**Students: remember your priority while living at Kinteel is education.** Education in high school assists you to find a career that motivates and inspires you. **Think about a career that will let you live successfully, passionately, and happily.**

**Throughout the month of December, Kinteel recognizes the Christmas holiday season.** Kinteel has events and activities planned that will celebrate the season of Christmas.

Kinteel extends the warmest regards and best wishes to parents/guardians for the upcoming holiday season.

Christmas break is from December 18 through January 3. Kinteel opens at 4 pm on January 3, 2022.

Sincerely,  
Brandon John

~Stay focused, be productive and make good decisions.~

**December – Winter Season**

Be sure to visit [www.kinteel.org](http://www.kinteel.org)

In the Diné calendar, the month of December is termed ` Nilch'itsoh ` , meaning "Great Winds". Our people at this time are prevented from working outside due to the freezing winds. December is midwinter to the Diné.

To keep our minds sharp and bodies fit, the Diné children and adults spend time together to play string games, shoe games and other winter games. The wood stove keeps a pot of stew simmering throughout the day for the family. To keep the food and hogan warm, the fire in the wood stove always remains burning.

During this winter season, keep the fire for obtaining knowledge consistent. ~ Mr. John ~
