

April 30, 2021

Dear Parents/Students

Ya at ee'h! I hope you are doing well with your studies as you get close to the end of the Spring semester. Due to Covid-19, the residential dorms are still closed until further notice. However, each and every one of you are still a part of the Kinleel Residential Campus, Inc. (KRCT) family. The staff are continuing to prepare for re-opening for Fall semester 2021. However, there is no tentative date to re-open the dorm. Once we are informed to re-open we will let you know. For now, we are in the process of negotiating for an Air Ventilation system for the dorm, kitchen, cafeteria and gymnasium. After that phase is finished the Air Ventilation system will be installed, that is one of the requirements set forth from the Navajo Nation BIE for Health and Safety of our students. Alongside that the current staff is also continuing to attend ZOOM meetings on trainings set forth from the BIE School Operations and Indian Affairs Office of facilities. We are working on preparing to welcome you back to the residential dorm with your health and safety our utmost concern.

As you come to the close of this Spring semester we want to commend you for doing your best in putting forward your efforts to do your schoolwork and complete what is required to advance to the next level. As for the seniors please continue with your projects and finish them, we support you in your endeavors, Ms. Claw, our Guidance Counselor has been communicating with you every week to help you with stressors, online education, family issues, self-care and academic challenges. Mr. Kresl, our tutor is available to help you in the evenings; please contact him and utilize his help.

In closing I would like to commend the parents of KRCI students in doing your best to provide assistance to your child physically, emotionally and mentally. We just want to encourage you to continue to offer your love and support to your child during this pandemic and thereafter.

Sincerely,

Kathleen Carr, Delegated Acting Director
