### A note from Kinteel Tutors

Hello to Students, Parents, and Staff,

A note from KRCI Tutors:

The main goal and focus for a tutoring program at a high-quality learning center like Kinteel is to have students excel and flourish in their academics. The first and most important part is for every student to be in every class daily and be prepared to learn. It is first and foremost the responsibility of the student and secondly the parents. Both parents/grandparents should check their child's grades and attendance daily through the PowerSchool program. The staff and tutors are always available to help the student complete assignments. Mr. Kresl, Ms. Anderson, and Mrs. Hudgens are available from 6:00 PM to 8:00 PM every evening, and the students should take advantage of their help. It is desirable that the students be self-motivated and take initiative for their own success. As the year is winding down hopefully, students will focus on working hard to end the year with good grades and pride in themselves.

Thank you!

-Mr. Kresl, Ms. Anderson, and Mrs. Hudgens

In the Diné calendar, the month of **T'aatsoh** means “Growth of Bigger Leaf Plants”. It is named for the plants with bigger leaves that were now growing everywhere. Mother Earth is fully awake and thriving. The rainy season has been ushered in by lively thunder and lightning. The fields were prepared for planting. The seeds were gathered. It was time to plant corn, squash, chili peppers, melons, and other vegetables Dine used.
